BENEFITS FOR OUR SCHOOL MANAGEMENT SOFTWARES

Management Benefits for (Two Year)

- 1. Enhanced Efficiency:** Integration of these systems streamlines various administrative tasks, reducing manual effort and paperwork. This efficiency allows management to focus on core educational objectives.
- 2. Improved Safety and Security:** Vehicle GPS trackers ensure real-time monitoring of school buses, enhancing safety for students during transit. **Face ID Device** automatic attendance systems provide accurate tracking of student presence, ensuring their safety within the school premises.
- 3. Cost Savings:** By automating processes and optimizing resource allocation, these systems help in reducing operational costs in the long term. Efficient vehicle routing and fuel consumption monitoring lead to savings in transportation costs.
- 4. Data-Driven Decision Making:** The software provides insightful data and analytics on various aspects of school operations, enabling management to make informed decisions regarding resource allocation, staffing, and curriculum planning.
- 5. Compliance and Accountability:** These systems aid in maintaining compliance with regulatory requirements and standards. They also ensure accountability in terms of attendance tracking, bus operations, and overall school management practices.

Sensible and Convenient Web & Mobile Apps

Lightweight cloud app works with almost all browsers, exclusive app over Android, Apple, and Microsoft windows. Security with SSL and password encryptions.

Push notifications for effective communications, in-app notifications, Email and SMS Message integration options.

Student's /Parent's Benefits

1. Automatic Face ID Attendance:

- **Convenient and Accurate Attendance:** Students don't have to worry about manually marking their attendance, saving time and reducing errors.
- **Accountability:** Ensures students are accounted for during school hours, promoting punctuality and regular attendance.
- **Streamlined Processes:** Eliminates the need for traditional attendance-taking methods, allowing students to focus on their studies.

2. 3 Lakh Accidental Insurance: Coming Soon

- **Financial Protection:** Provides peace of mind knowing that students are covered in case of accidents or emergencies, easing financial burdens for them and their families.
- **Safety Net:** Offers a safety net for students, ensuring they receive necessary medical attention and support in the event of unforeseen circumstances.
- **Increased Security:** Enhances the overall safety and security of students, both on and off school premises, fostering a conducive learning environment.

4. Offline & Online Shops, Medical & Hospitals Discounts: Coming Soon

- **Cost Savings:** Students can enjoy discounts on various goods and services, including medical expenses, helping them save money on essential items and services.
- **Accessibility:** Access to discounts at offline and online shops, medical facilities, and hospitals ensures students can afford necessary supplies and healthcare services.
- **Improved Well-being:** Access to discounted medical services promotes the health and well-being of students, ensuring they can access healthcare when needed without financial strain.

5. Lifetime Documents Saving Drive:

- **Secure Storage:** Provides a reliable platform for students to store important documents such as academic records, certificates, and personal files, ensuring they are easily accessible whenever needed.
- **Organized Documentation:** Helps students maintain organized records throughout their academic journey, simplifying processes such as college applications, job searches, and scholarship submissions.
- **Data Security:** Ensures the safety and security of sensitive documents, protecting them from loss, damage, or unauthorized access, providing students with peace of mind regarding their valuable information.

6. GPS Vehicle Tracking Systems & Stop Alerts:

- **Safety Assurance:** Allows students and parents to track the location of school buses in real-time, ensuring students' safety during transit and providing peace of mind to parents.
- **Timely Alerts:** Stop alerts notify students and parents when the bus is approaching their designated stop, helping students manage their time effectively and ensuring they don't miss their bus.
- **Enhanced Communication:** Facilitates communication between school transportation authorities, students, and parents, ensuring everyone is informed about bus schedules and any changes or delays.
